

We used to get V & M Couches to our Cliftonville holiday. It always picked up and dropped off in Dreamland coach park

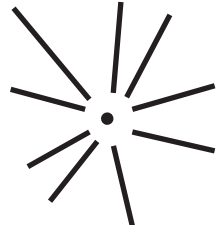

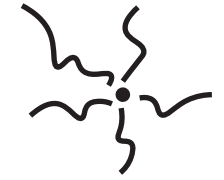

Margate was my childhood holiday destination - best 2 weeks of the year.

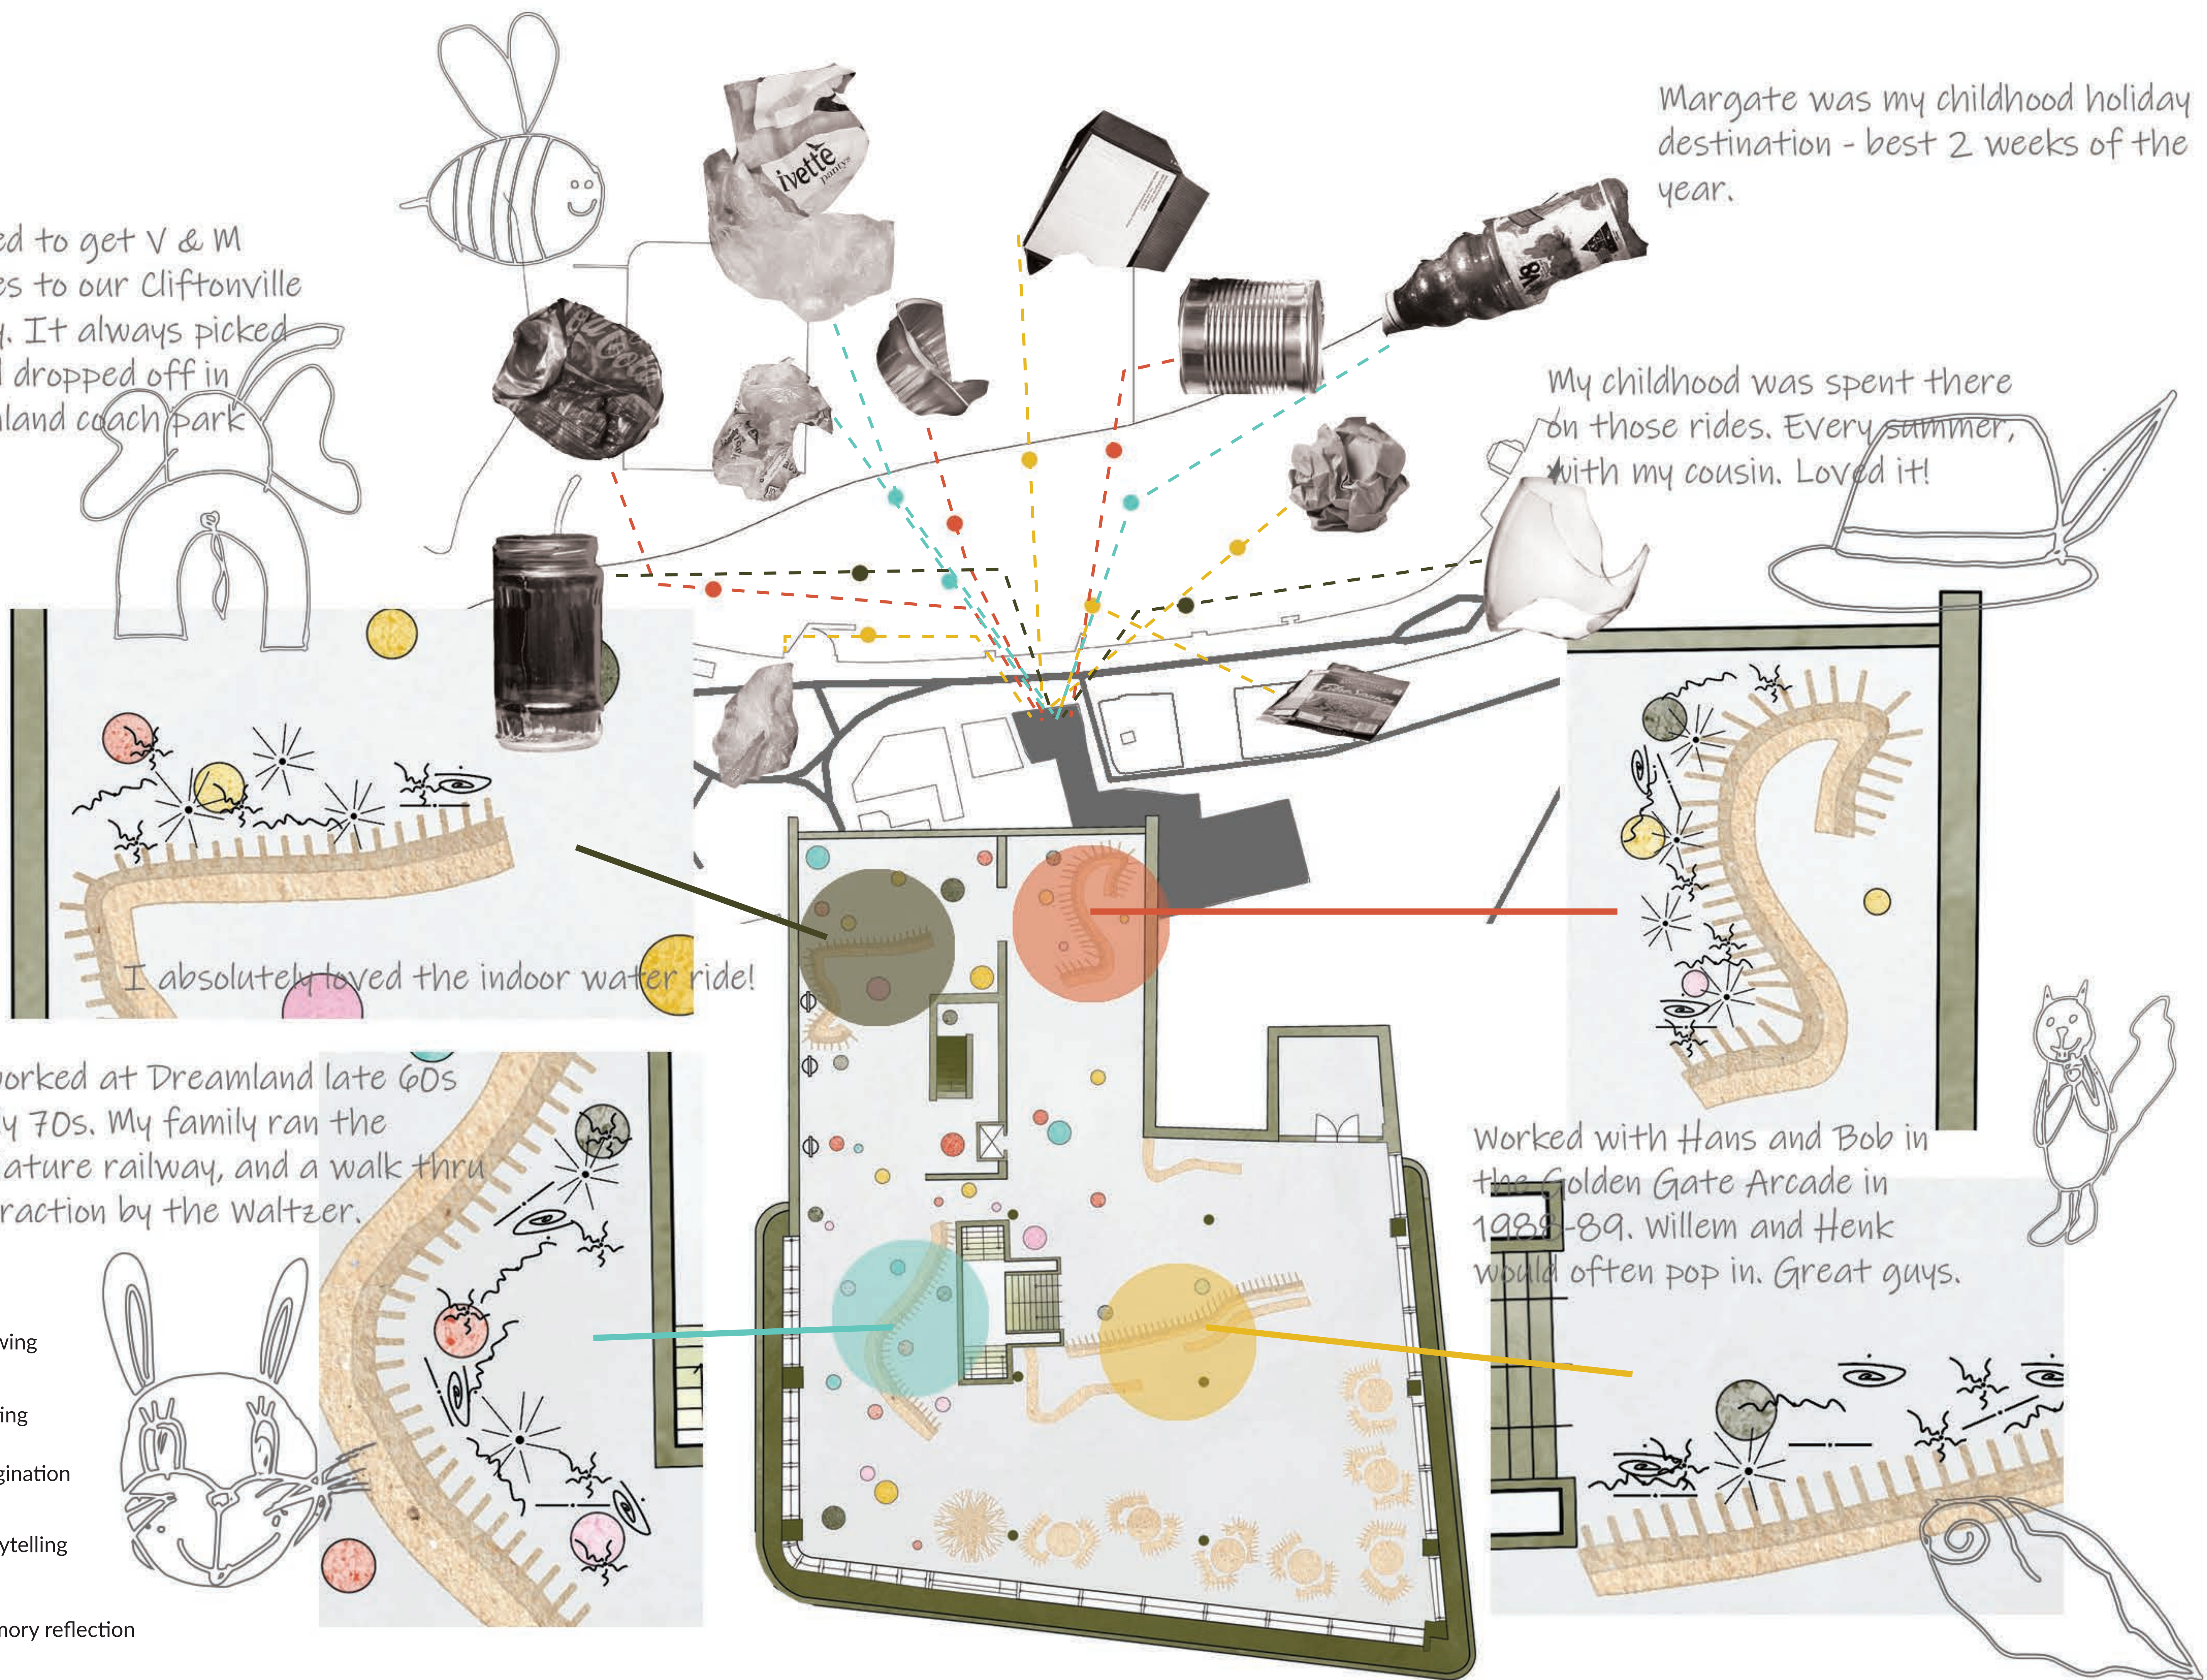

My childhood was spent there on those rides. Every summer, with my cousin. Loved it!

I absolutely loved the indoor water ride!

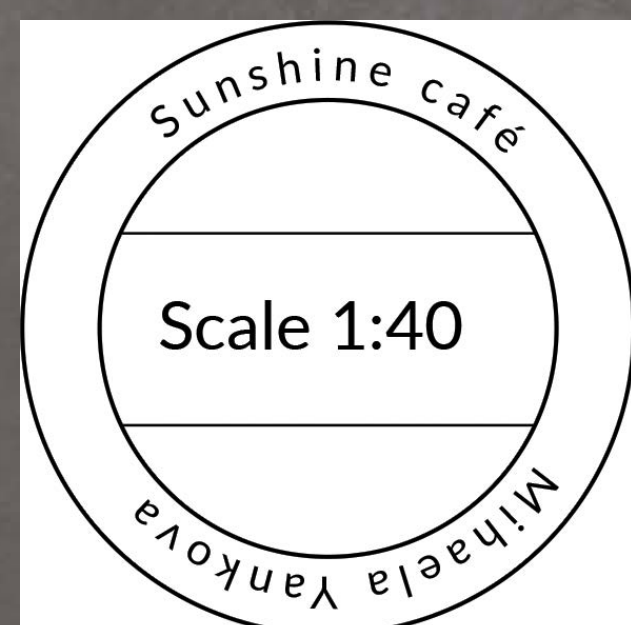

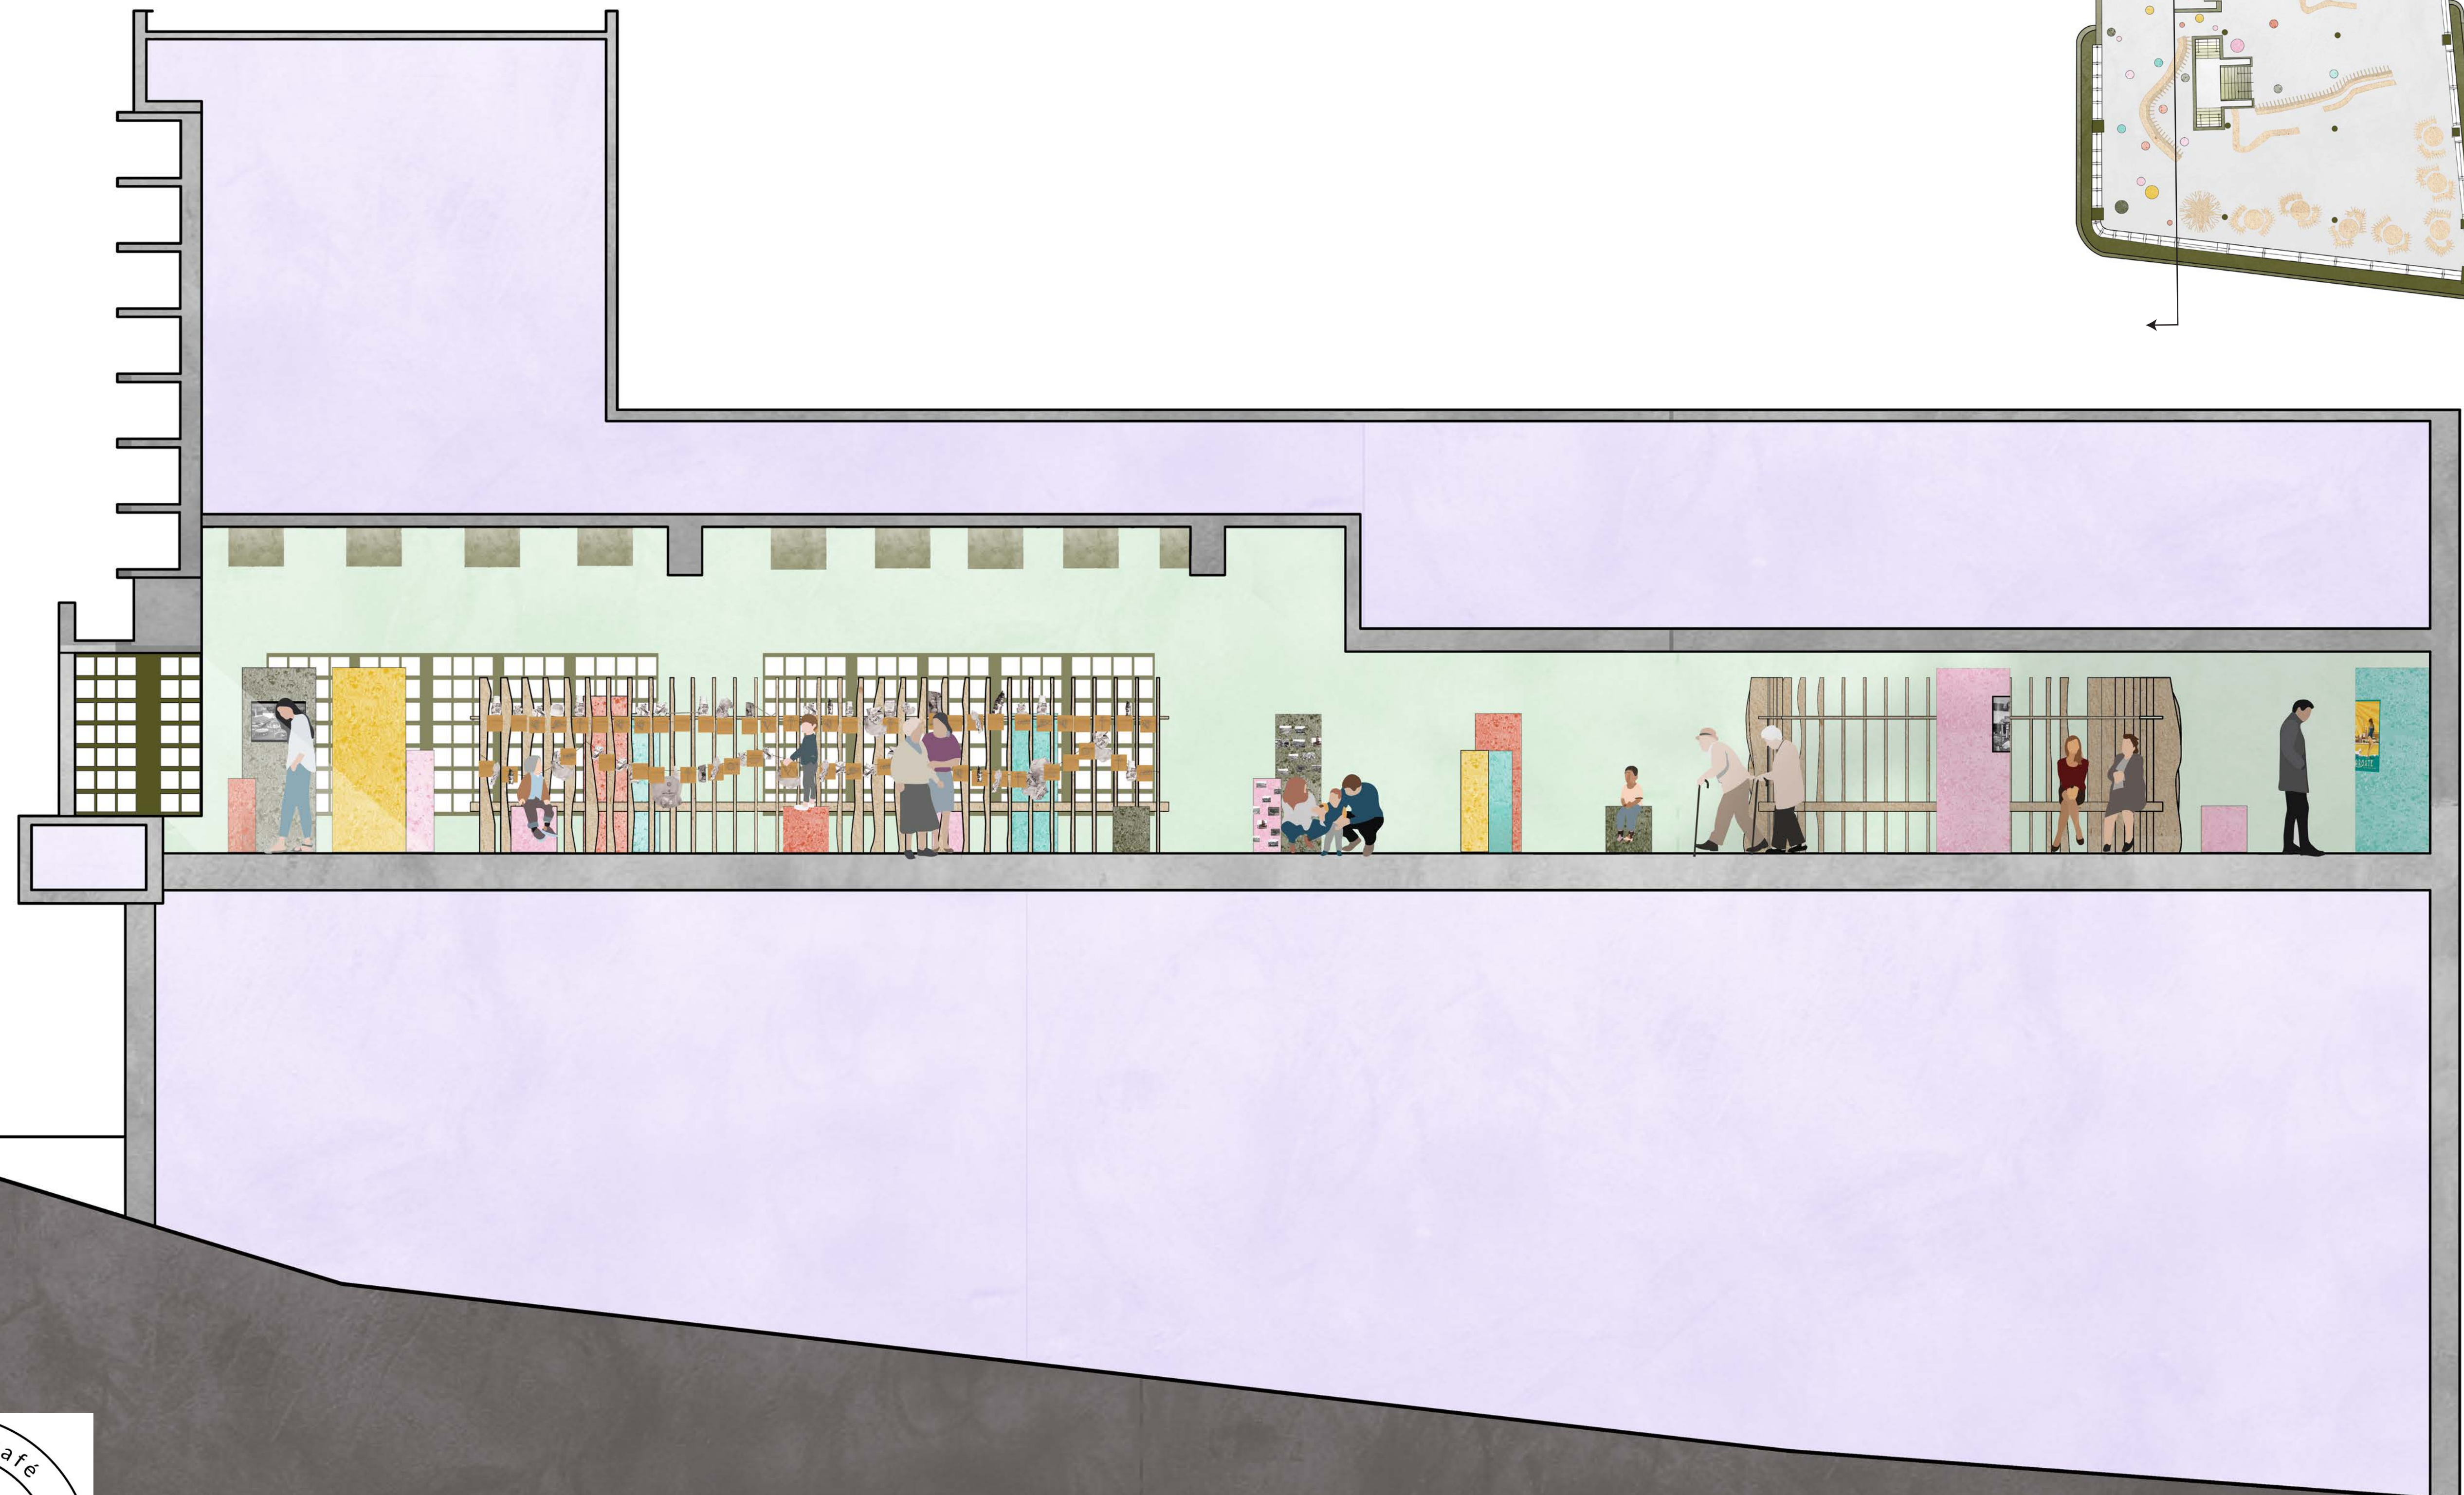

I worked at Dreamland late 60s early 70s. My family ran the miniature railway, and a walk thru attraction by the waltzer.

Worked with Hans and Bob in the Golden Gate Arcade in 1989-89. Willem and Henk would often pop in. Great guys.
